**Class 9-10**

April 22, 2020

## **Class/ Activity 23**

1. Fill in the blanks with the verbs from the box using their right forms.

rely	make	drop	jump	operate
manage	fill	take	drop	leave

As the rates of Coronavirus continue to surge, many Canadians are gripped with panic. But across the country, there are people who \_\_\_\_ (a) into action to help wherever they can. For Mohamed Tarrabin, who \_\_\_\_ (b) a jewelry store in Fort McMurray, Alta., the choice to help came last week, when local food banks \_\_\_\_ (c) the announcement that they were almost out of supplies. People had already started panic-shopping, \_\_\_\_ (d) up most of the local supply of non-perishables and toilet paper, \_\_\_\_ (e) little for the community's most vulnerable, who \_\_\_\_ (f) on food banks. So Tarrabin's store, Prestige Jewellery, started offering a promotion, offering free earrings to anyone who \_\_\_\_ (g) off a food donation. It didn't take long for the idea to take off. "My office, the back room, the shelves of my jewelry store are all \_\_\_\_ (h) with food now," he told HuffPost Canada. As of this past weekend, the jewelry store \_\_\_\_ (i) as something of an ad-hoc emergency response centre, where people \_\_\_\_ (j) off supplies or picking up what they need. The same is true of the store's Edmonton location, he said. "Showcases are all full with food," he said. "It's unreal."

2. Fill in the blanks with the verbs from the box using their right forms.

bring	suffer	die	work	want
be	isolate	recover	start	decide

Adama Traoré lives in the village of Sadiola, in the Kayes region of Mali in the west of the country. He \_\_\_\_ (a) as a vaccinator in the community health centre of Sadiola for more than 10 years. "When I \_\_\_\_ (b) young, we had poor neighbours. One day, one of their kids suddenly \_\_\_\_ (c) to get pimples on his body, red eyes and a high fever. He had measles and his parents didn't have money to \_\_\_\_ (d) him to the hospital and buy him medicine. After a week of \_\_\_\_ (e), a kind man living in our neighbourhood \_\_\_\_ (f) to take him to hospital. He was so lucky to totally \_\_\_\_ (g), but his older brother, who was in the same situation two years before wasn't as lucky, and unfortunately \_\_\_\_ (h). This was the main motivation for me to become a vaccinator." He decided to become a vaccinator because he \_\_\_\_ (i) to improve the health of the children in his community. "We are in a gold mine area, and many families work and live here, with their children completely \_\_\_\_ (j) and deprived of any care."
