It was a clear, winter morning yesterday and the sun was _____ (a) in the sky. It was _____ (b) so hard that I felt I had to wear my sunglasses. From the hill I could see the sea _____ (c) below and the snow _____ (d) up on the mountain. I walked on the grass which was _____ (e) in the early morning dew and I thought how different things had been the day before. We had had nasty weather; it had been a gloomy, rainy day. Early in the morning lightning had been _____ (f) in the sky from time to time. I could hear thunder _____ (g) in the distance and then _____ (h) just before the storm broke. It was a day that you would prefer to stay at home by the fireplace looking at the burning logs _____ (i) rather than go out in the rain. _____ (j) poetry with tea or coffee must be a dreaming for many ones!

2. Fill in the blanks with suitable words from the box. Use the correct form of the words if needed.

revolt	cheap	publish	write	word
expense	use	page	invent	move

In A.D. 868 the Chinese were printing books using carved wooden blocks. Until the 15th century all information had to be labouriously _____ (a), mostly by monks and only a few people had access to education. As a result, books were very rare and _____ (b) and most of them were written and copied by the hand. The introduction of printing caused a _____ (c) in 1454 when Johannes Gutenberg of Germany developed much _____ (d) type in which each separate letter was printed on a hand press. The process remained in _____ (e) for 350 years and the first book printed was the Bible. The _____ (f) of power-driven presses allowed books enough to be printed more easily and printing made it possible to produce more than one book at a time. So, books became _____ (g) and knowledge was spread more widely. First, the author writes the book and the _____ (h) undertakes the publication of the book. The designer draws rough plans for each _____ (i), the drawings are sent to the artist and the words are sent to be typeset. The typeset _____ (j) are stuck down around the pictures and the complete pages are sent to the printer.
